

What better way to start the day than by catching a bubble or two?
Wearing his colourful knitted cap and armed with a stick of bubble mix, Philip Island and San Remo Rotarian Snow Lacco (pictured above) takes time out from his breakfast duties to help Eli Gregory (left) of Grade 1 and Prudence Mungatopi (right) of Prep blow some fun into their day at Newhaven Primary. A group of Rotarians volunteers every Tuesday to provide a hearty breakfast for students at the school.

Lola wags school!

EVERY dog has its day and for one lovable Labradoodle it happens twice a week at Newhaven Primary School.

"Lola" accompanies Grade 5/6 student Floyd Trevena to school and settles herself nicely in to the classroom to take in as many lessons as she can manage.

Lola is a therapy and service dog with seizure alert training. She is being trained through the Centre for Service and Therapy Dogs Australia (CSTDA). The yellow coat she wears indicates that she is still in training. Her role is to help people like Floyd with his everyday living and special needs, and in so doing, to form a lasting partnership.

Although Lola has only been at school since the beginning of the year she

Lola the Labradoodle comes to school two days a week with his best friend Floyd Trevena (left) and has become a popular member of the Grade 5 classroom at Newhaven Primary School.

is already a crowd favourite and a popular class member. Not only does she help Floyd to settle

into his activities and takes the time to greet his class mates before day begins.
